

The Power of Ten

ABOUT AURORA GREENFEST

Aurora GreenLights is an independent group of residents of the Fox Valley that formed ten years ago to put on the Aurora GreenFest. We held the first GreenFest in June of 2010, and we have been moving the Fox Valley forward ever since. With the help of the growing environmental and sustainability movement in the Fox Valley, we brought together about 100 exhibitors and vendors, including for-profit, non-profit, and governmental organizations, to inspire our friends and neighbors about how to live more sustainably. As our logo says, our Fox Valley is “Growing Greener Every Day”. September 28, 2019 will be our tenth annual GreenFest, and we want to celebrate in a big way. We are celebrating “The Power of Ten” . is produced by Aurora GreenLights in affiliation with The Conservation Foundation.

Aurora GreenLights is an independent group of grassroots organizers actively working to bring environmental education, activities, and networking events to our urban communities. Aurora GreenLights’ sustainable living initiatives are fueled by major support from families, friends, and neighbors and also by generous gifts and contributions from local business, municipal, and nonprofit leaders.

The Conservation Foundation, our 501c3 fiscal agent, was founded in 1972, and is one of our region’s oldest and largest not-for-profit land and watershed conservation organizations, dedicated to preserving and restoring open space, protecting rivers and watersheds, and promoting stewardship of the environment in northeastern Illinois.

The Aurora GreenFest promotes every aspect of sustainability and resilience, including local and organic food, clean energy, nature conservation, natural living, and green transportation.

WHO COMES TO THE AURORA GREENFEST?

Families, educators, and entrepreneurs come to enjoy inspiration, connection, and fun! Aurora GreenFest draws thousands of attendees and 100+ exhibitors from the Greater Aurora Area, Fox Valley, and Chicagoland.

Our Community Trade Show is an exciting place for people seeking common sense, eco-friendly solutions for their homes and businesses. In the Children’s Eco-Village, kids learn the A-B-C’s of how to “go green”. There is something for the whole family at the Aurora GreenFest.
